Bio

I come from the social sciences. From 2009 onwards, I researched graffiti. I worked with pictures and text using LaTeX: a professional editor that compiles. There I got more into technology. Before that I used linux. Later I built a static web site: html css. I configured proper domain: dns. Now I like writing with vim.

Tech

MAIN STACK: C♯ JAVASCRIPT NODE PYTHON

AGILE KANBAN SCRUM JIRA TRELLO GITLAB GITHUB

INTERESTS: UX/UI BIG DATA IOT BASH MERN

Languages

Born and raised in the US to age 7. I speak:

- native English. I have a VISA.
- native Spanish.
- fluent Portuguese. I lived in Brazil.

Professional Profile

I'm drawn to UX Research + Big Data + Web Development.

I am now studying Systems Analyst, as 2nd year student , with my 1st year complete. In sociology I've researched several years. The dynamics and results I found in the tech world brought me up to here. I want to keep going further this rabbit hole. Sociology: My primary method is ethnography. I use observation and interviews.
