Bio ────────────

I come from the social sciences. From 2009 onwards, I researched graffiti. I worked with pictures and text using LaTeX: a professional editor that compiles. There I got more into technology. Before that I used linux, and later a static web site with proper domain and configuration. Now I am into programming.

Tech ────────────

MAIN STACK: JAVASCRIPT NODE PYTHON

AGILE KANBAN SCRUM JIRA TRELLO GITLAB

INTERESTS: UX/UI BIG DATA IoT BASH MERN

Languages ──────────

Born and raised in the US to age 7.
I speak:

- native English. I have a VISA.
- native Spanish.
- fluent Portuguese. I lived in Brazil.

Professional Profile

I'm drawn to UX Research + Big Data + Web Development.
I worked as a Back End Web Developer, with data base. I aim to Full-Stack.
I am currently job hunting.

I am now studying Systems Analyst, with my 1st year done.
In sociology I've researched several years. The dynamics and results I found in the tech world brought me up to here. I want to keep going further this rabbit hole.
Sociology: My primary method is ethnography. I use observation and interviews.
